Mail Stop Appeal Brief - Patents  
Commissioner For Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

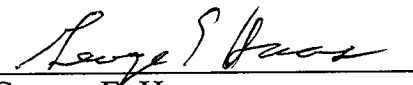

Sir:

In response to the Notice of a Non-Compliant Appeal Brief, Appellant hereby submits his amended brief in the subject patent application. That Notice stated that the Summary of the Claimed Subject Matter did not refer to each independent claim. In fact, independent claim 20 was not mentioned. This oversight has been corrected.

Because the fee for filing a brief was paid previously, an additional fee is not required at this time. Nevertheless any fee that may be due should be charged to Deposit Account No. 17-0055.

Respectfully submitted,  
Keith A. Tabor
